- Punching
- Shaking
- Striking with any object
- Biting
- Handling roughly
- Using soap, hot sauce, unpleasant food or non-food items
- Denial of food or forced napping
- Use of derogatory remarks, abusive, or profane language, yelling / screaming or threats of physical punishment
- Use of mechanical restraints

Children are not disciplined for toilet accidents, refusal to take medication or refusal to eat.

Instead at Elite Childcare Academy we use:

- Re-direction (where you introduce a new object to gain their attention elsewhere)
- Time-In (where they sit next to the teacher for amount of time of the age they are, typically if a child is misbehaving it is due to them seeking attention and this practice gives it to them.)
- Time-Out (where they sit isolated but in view of teacher for the amount of time of the age they are.)
